

VILLA  
ARABELLA  
CAPRI

PRIVACY, SERENITY, BEAUTY, SERVICE

Villa Arabella is a new and exclusive rental property in Capri managed by hospitality professionals

# the views

The breathtaking views at Villa Arabella include the coastline of Marina Piccola, the characteristic houses in the center of Capri with Monte Solaro in the background and the Gulf of Naples with the island of Ischia

# floor plan

The inside of the villa has a surface area of 1180 sq feet and consists of a spacious living room, a kitchen, 3 bedrooms and 3 bathrooms.

The outside features a spacious garden shaded by pine trees, terraces with amazing views and a large and sunny rooftop

# conciierge and assistance

Conciierge service at Arabella is provided by Luigi Esposito, third generation of a Capri family of hoteliers, and owner of the Villa. He is always available to help you organise the best tours, nature walks and family activities. He can also direct you to the island's best kept secrets and recommend the best restaurants the island has to offer.

## the location

We are situated on Via Tuoro, just steps from the center of Capri, in a panoramic and peaceful location. It is about a 5 minutes climb, last part with some small hairpin turns, from via Camerelle (the elegant shopping street of Capri). The walk leads to the villa with its fantastic views in a tranquil position despite being close to the the town centre. The Villa is suitable for walkers. In the area it is possible to see luxury residences, some of the most important on the island. The Villa lies just a few minutes from the Piazzetta and Via Tragara to reach the Faraglioni beach.

# services

We guarantee daily cleaning and tidying of the villa, thanks to the staff available during the central hours of the day.

A hearty Breakfast is prepared and served until very late morning, according to the requests of our guests.

It is also possible to book a personal chef for private lunches and dinners in the villa.
